

PATUXENT RIVER COMPLEX

Testing and Training Activities Environmental Impact Statement (EIS)

COMMENT FORM

The Navy invites you to participate in the National Environmental Policy Act process for the Patuxent River Complex (PRC) Testing and Training Activities Environmental Impact Statement (EIS). We are requesting your comments on the proposed action and alternatives and potential impacts on resource areas. Substantive comments will be addressed in the Final EIS. Please print and mail your comments postmarked no later than **June 15, 2021** to:

Naval Air Warfare Center Aircraft Division Range Sustainability Office Atlantic Ranges and Targets Department Attn: EIS Project Manager 23013 Cedar Point Road, Building 2118 Patuxent River, MD 20670-1183
